PROFESSIONAL SUMMARY

Compassionate and reliable community support volunteer with experience assisting elderly people and supporting recreational activities in residential care environments. Strong communication and active listening skills with a patient and empathetic approach to working with residents. Comfortable working as part of a team and providing companionship and emotional support.

CAREER OBJECTIVE

To contribute my time and interpersonal skills to a nursing home environment where I can support elderly residents, provide meaningful companionship and assist with approved recreational and social activities.

WORK EXPERIENCE

Volunteer Resident Support Assistant

Durban Community Care Centre — Durban
January 2024 – Present

- Provide companionship and conversation to elderly residents.
- Assist residents during recreational and social activities.
- Listen to residents and provide friendly emotional support.
- Work alongside staff to support approved non-clinical activities.
- Demonstrate patience when assisting residents with different needs.
- Maintain respectful and professional communication with residents and staff.

Community Volunteer

KwaZulu-Natal Community Outreach — Durban
March 2022 – December 2023

- Assisted with community activities for elderly residents.
- Helped organise group games, social events and recreational activities.
- Supported residents during community gatherings.
- Worked effectively with volunteers and staff members.
